

THE RAINBOW FAMILY

Rainbow Packing is the standard by which other sheet packings are judged. It packs any kind of steam, air or hot water joints. It will withstand the highest pressure and not blow out. The genuine Rainbow has the word "RAINBOW" in a diamond in black in three connecting rows of diamonds throughout the roll. The celebrated RAINBOW packing compound is the basis of most of our line of packings, thus insuring their quality. Be sure and specify "RAINBOW" and then make sure that you get it.
